

# WYE UNDER FIVES NEWS TERM 1 2019

Welcome back, we hope that you have had a good Summer Break and are fully rested for a new Pre-School year. We would also like to take this opportunity to welcome all of our new and existing parents to our setting.

## Term 1 theme - COLOURS

*This term we shall be learning and exploring the different colours that are all around us. we shall be finding out what happens when we mix colours together by providing the children with lots of fun, playful stories and experiments throughout their everyday play.*

**Resources-** we are always encouraging our children to be as imaginative as we can throughout our creative art and crafts area. If anybody has any recycled packaging that the children could use for junk modelling that would be very much appreciated.

**House Keeping** - Please can parents remember to put in spare clothes, baby wipes and nappies in their bags for each session.

**Health Care-** If your child has medication or needs medication administered please let a member of staff know.

**PEANUTS/NUTS – please be aware that we have a new NO NUT policy in place due to allergies.**
